# WELCOME TO OUR MONTHLY ROUND-UP

In December, we continued to carry out our life-changing projects in Pakistan, Palestine, Somalia, Syria, and Yemen, delivering projects that support healthcare, virus protection, livelihoods, and nutrition. This month, we also began working in Brazil. In the UK, we continued our regular volunteering projects, and launched our annual Wrap Up campaign.

**Read on to learn more about our field work in each country over the past months.**

# BRAZIL

## COVID-19

In December, we distributed food parcels to families in Manaus, Brazil, which has been drastically affected by the pandemic. Each family received nutritious food parcels to last a month, which included rice, sugar, milk, pasta, canned meats, flour, oil, beans, and coffee.

## PROTECTION

As part of the UN's 16 Days of Activism between late November and December, we ran **11 COVID-safe awareness sessions** on gender-based violence, supporting **338 people**.

A series of awareness raising events in our Iraq office tackled gender-based violence.

# PAKISTAN

## EDUCATION

A girls' middle school in Chira Topi, Pakistan-administered Kashmir, collapsed during an earthquake in 2005, leaving the girls of the area studying in a damaged, abandoned hospital. In December, our team visited the school to assess potential projects, and we're hoping to rebuild the school to create a safe environment for the girls of Chira Topi.

# SOMALIA

## EMERGENCY

We began our emergency response to the drought, registering **1,500 affected families** in order to provide them with a food parcel weighing over **55 kilograms**, and **45 litres** of clean water per day.

# PALESTINE

## NUTRITION

Over six months on from the escalation in Gaza during Ramadan, we continue to help those struggling to recover their livelihoods. In December, we distributed food vouchers to the most vulnerable families, which will provide them with enough food for the whole family for the next three months.

Human Appeal Palestine distributed food vouchers to vulnerable families in the Gaza Strip.

## MEDICINE

We're continuing to support Gaza's clinics and hospitals. This month, we delivered our fourth medical shipment to Al Shifa Hospital, allowing doctors to continue treating patients.

## WATER

In December, we chlorinated the water in **15 wells** and **13 water stations** in Khan Younis, Gaza, providing clean water to the local community.

# SYRIA

## COVID-19

As the pandemic surged across the world in December, we distributed hand sanitiser to **159 health facilities**, including isolation centres and hospitals, in Aleppo, Latakia, and Idlib.

## HEALTH

In the second week of December, three little triplets were born at our Al Imaan Hospital in Idlib, to displaced parents Reem and Mahmoud. Our clinical staff helped to deliver the babies in good health and we continue to support them with regular check-ups, and baby milk.

Our staff at Al Imaan safely delivered the triplets at Al Imaan in December.

## HEALTH

In December, we provided two children living in camps in Syria with a wheelchair each, helping them to live with more dignity and independence.

## HEALTH

In December, our staff visited quadruplets, Rawan, Razan, Rayyan , and Mohamed, who were born at our Al Imaan hospital in November. During the visit, we provided them with baby milk.

Human Appeal visited the quadruplets in their displacement camp in Northwest Syria.

## COVID-19

This month, we also provided two deliveries of oxygen atomizers and generators to health facilities across northwest Syria, helping to treat displaced Syrians affected by COVID-19 and other respiratory diseases.

## A NEW LEASE OF LIFE FOR NADA

Nada continues to visit our Mashhad Ruhin centre for checkups.

18-year-old Nada is one of the many Syrian refugees struggling to cope with the traumas of war. Years of living in insecurity, danger, and hunger have impacted Nada's mental health.

She struggles to cope with living in a displacement camp and even thought of ending her life. Still, she finds the courage to continue, for the sake of her little baby.

Our primary healthcare centre in Mashhad Ruhin has been supporting Nada's physical and mental health.

"This health centre helped me continue my life positively and overcome difficulties to live and take good care of my child," she told us.

"I received the medicine I needed for free and they provided me with treatment. They also put together a plan for me to follow in the coming days in order to overcome the psychological pressure I feel."

Thank you for supporting our health projects in Syria, and allowing us to help so many mothers like Nada.

# TURKEY

## NUTRITION

In December, we distributed cash vouchers to **124 vulnerable families**, which allowed them to select the food items to best meet their needs.

# YEMEN

## HEALTH

This month, we distributed medical supplies, such as IV fluids to health facilities in Aden, Abien, Taiz, and Dhale, in partnership with AmeriCare.

Our Wrap Up team worked incredibly hard to distribute your remaining winter coat donations in December.

## WINTER

Your Wrap Up donations winter coats spread warmth to **5,129 people** across the UK this winter. In December, we sorted, cleaned and delivered coats to leading community charities in London, Glasgow, Manchester, Birmingham, Leeds, and Bradford.

## FUNDRAISING

In December, we ran our annual comedy takeover, with **17 dates** across the UK. We also supported the Night of Vocals tour, and the Mufti Menk Light Upon Light tour, both in partnership with Eman Channel. Throughout these tours we raised a massive **£2.29 million**, which will provide **1,146 homes** for families in Syria.
